

Meeting minutes for Day of the Huntress, day 18 of the month Fashanos in the year 5111
Members in Attendance: Ranpalandil, Anta, Aisalt, Whispern, Rasti.

Sharnath, Kysari on the amulet.

Ranpalandil says, "Onoir will be camping out on our door step on the 19th of Charlatos (March) at 9:00 PM elven time. They are going to do this with each house that agrees to it, one a month. Phoenix is the first this month and we will be second next month. This is an event open to everyone and the idea is to introduce the public to the various houses and what they are about. I think it is a great idea. If people understand what each house is about it makes it easier for them to make an informed decision as to which house they should join."

Dateline 2/13/2011: WHERE IS DAINGNEACH ONOIR CAMPING OUT THIS MONTH?

Come join House of Daingneach Onoir as they camp out on the doorstep of Willow Hall on Feastday, the 19th day of Charlatos, in the year 5111 at 21:00 as the elves tells time.

It will be a time of learning about Willow Hall, what they are, what they do, what they represent, how to go about joining them if you so desired to, and receive a tour of their home. After the tour of the house, members and officers of Daingneach Onoir will be casting free spells, and offering what other service skills there may offer. In conclusion to this, there will be a spinning for a door prize. Please come out and learn about this greater house, and have a chance at a really nice door prize. Everyone is invited.

The fireplace for the fireside room was discussed, whether a visible stack of wood was necessary. The majority felt that it was not needed since fireplaces in personal homes do not have visible stacks of wood and we didn't want to omit any of the room design. The room design will be submitted as was shown in the last meeting minutes.

Rasti proposed during the next quarter we finish our past chairman portraits. Aisalt suggested oval portraits hanging from a willow tree, similar to a family tree.

Ranpalandil asked if we required our podium to be active (meaning the great hall could be silenced for meetings) The cost for this would be 4 influence points. Since we do not generally have an issue regarding members being out of order, it was decided that for now, an active podium was not needed.

Gamemasters Sirina and Xynwen created some beautiful artwork for each of the Cooperative Houses of Elanthia. You can view them at <http://www.play.net/qs4/info/greathouses/house-current.asp> (Note: The officer information for many of the houses, including ours, is outdated. GM Alyias is aware and in the process of updating them.)

Kizalia unveiled our new website WillowHall.org! The site is beautiful, updated and modern. Thank you Kizalia for all your hard work and thank you Zanteal for building the library for it.

Rasti accepted his nomination for the treasurer position. Since he was running unopposed Ranpalandil invested him as our new Hall Treasurer. Congratulations Rasti!

The position of Co-treasurer is now open. Please see Ran or Kysari if you are interested in running.

Talks then moved to the topic of changing some officer titles. The proposed changes are as follows:

Coin Keeper = Master Exchequer

Coin Collector = Master Auditor

Mendicant = Master-at-arms

Remember next week's meeting is in Ta'Vaalor!

Submitted,
Anta Eirestor
