Ranpalandil called the meeting to order.

Ranpalandil says, "We got a bounty help event tomorrow." "And next week I'll not be here for the meeting. "And I got our reports submitted."

Rasti recites:

"As of my last report, on the Day of the Huntress, the 4th day of Fashanos, in the year 5111, Willow Hall's coffers held 355,740,196 silvers."

"Shysmile was inducted into the Hall, She paid the necessary 25,000 silver initiation fee."

"Ranpalandil made deposits totalling 587,076 silvers." "Erelad deposited 100,000 silvers." "I deposited a 15,000 silver tip I was given during the bounty help event."

"I also withdrew 1,200,000 silvers to cover the expense of the 6x enchantment we awarded Caeledon. The Hall profited from this auction sale by a little less than 1 million silvers." "Caeledon was more than pleased with his enchanted fusion armor. My cousin Rysti, however, was a bit put out by all this but remains willing to assist the Hall in the future."

"Willow Hall closed its coffers on 355,267,272 silvers."

"Willow Hall earned 16 IPs this quarter leaving us with 94 IPs."

"Please give generously to Willow Hall."

Anta says, "I spoke with the gnome, Weewillow earlier." "She wishes to be a member of the hall, I sent her Aisalt's way. "Willowbee." "Was that it? "Ah heck, the cute little gnome..

Aisalt softly says, "I'll get in touch with her and start the process then." "From what I know she was sent by her people to learn from us and to serve the Hall."

Ranpalandil says, "If I hear no objections I'll leave the vote on the annex open another week."

Aisalt softly says, "IF we do build in Sylvarraend.. we could have a spring fest THERE each year." "Not much every happens in Sylvarraend. We can change that."

Erelad quietly says, "I would vote Icemule.... Just to get my locker out of the trap that is the annex there."

Anta says, "Kizalia is planning an event in Sylvarraend, a scavenger hunt and raffle for a nice bow. "We're just waiting to hear if our date for it is ok I think."

Kizalia says, "A sylvan linden bow or some sort. I don't know much about those things."

Anta says, "It's a great bow, trust me."

Ohnus says, "And a beautiful song."

More discussion followed regarding the planning of the event.

Ranpalandil then adjourned the meeting and a hunt was held.
