Kizalia and Anta on amulet

This weeks meeting was an informal one at our Ta'lllistim annex in the Lost Home.

Ranpalandil called the meeting to order and the first order of business was to induct our newest member Dendum. Welcome Dendum!

Speaking to Dendum, Ranpalandil says, "Kneel and recite the oath."

Dendum quietly says, "I Dendum of the Wendwillows, Master of The Great Society of Sunfist as of yesterday and composer of the epic poem whose name is too long to speak just now, do solemnly swear to uphold and defend the beliefs and values taught and obeyed by all Members of Willow Hall. I swear allegiance to the same and swear to obey the laws and rules that govern me along with those officers appointed over me. I hereto commit my life in allegiance to Willow Hall and to the lands in which I roam."

Aisalt softly exclaims, "Now that be perfect!"

Speaking quietly to Aisalt, Dendum says, "I read it in Kizalias book."

Ranpalandil [Willow Hall]: "Ok, business." "We need to design a new annex in Icemule."

Aisalt [Willow Hall]: "Any word on our buiding plans in Sylvarraend yet?" "How bout we hold next weeks meeting in Icemule and scout around where we'd like to put the annex."

Ranpalandil [Willow Hall]: "No, haven't heard anything on the Sylvarraend annex yet." "And I do think holding the next meeting in Icemule to scout a location is a good idea."

Aisalt [Willow Hall]: "Get out yer overcoats.. its gonna be a cold one."

Ranpalandil [Willow Hall]: "You have to be kidding Aisalt, Icemule is the only comfortable place to be this time of year."

Aisalt softly asks, "You really know your way around Mule don't you Dendum?"

Dendum nods. Dendum quietly says, "Kizalia is familiar with it as well."

Ranpalandil [Willow Hall]: "Do we have any other business for tonight?"

Kizalia [Willow Hall]: "We are on the official list of events for the Frontier Days at the end of next month." "We'll need volunteers for the events. Archery, Lucky Strike and Lost Ranger."

Aisalt [Willow Hall]: "I volunteer Dendum for Lost Ranger."

Kizalia [Willow Hall]: "I volunteer him too. He's always lost."

Dendum [Willow Hall]: "I think I have been volunteered for it by several people."

Aisalt [Willow Hall]: "Myri'll be doing Lucky Strike but it helps to have other healers and clerics there."

Kizalia [Willow Hall]: "I'll be on hand to help with the healing Aisa."

Ranpalandil [Willow Hall]: "Anta consider me signed up for Lost Ranger."

Aisalt [Willow Hall]: "Me too. I love being losted."

Ranpalandil [Willow Hall]: "Unless anyone else has any business I'll dismiss the meeting."

Ranpalandil then adjourned the meeting.
