

Meeting Minutes for the Day of the Huntress, day 5 of the month Phoenatos in the year 5111

Members in Attendance: Ranpalandil, Landrat, Aisalt, Rasti, Dendum, Kizalia

Guests and Prospective Members: Vitesse, Selvan

Ranpalandil called the meeting to order. Our meeting was in our Icemule annex this week.

Rasti recites:

"As of my last report, on the Day of the Huntress, the 24th day of Lumnea, in the year 5111, Willow Hall's coffers held 357,271,284 silvers."

"Alyias made adjustments to the Hall's Influence Points. We gained 2 points bringing the total to 90 points."

"Dendum was inducted into the House and paid the necessary 25,000 silvers."

"Zanteal who visited us last month made a gift of 1,383 silvers while Aisalt contributed 3,599 more."

"Ranpalandil and Rasti deposited a total of 25,826 as well. These were collected from a very small House Hunt."

"Willow Hall closed its coffers on 357,327,092 silvers." "Please give generously to Willow Hall."

Aisalt softly says, "Before we go into discussion about annexes. I'd like to announce that both Selvan and Vitesse are interested in being active family in Willow Hall."

Selvan says, "Thank you. Yes we are interested in joining the ranks, once again, of a wonderful house." "It has been too long."

Aisalt softly says, "I'd like to suggest that we quickly go by the by-laws and follow membership procedures but also count this meeting as part of their membership application as most of our Officers are present." "I will get the surveys to you as soon as possible."

Ranpalandil asks, "Ok so how did the search for a new annex location go so far?"

Kizalia says, "Dendum had some wonderful ideas."

Aisalt softly says, "There's quite a few good spots out there."

Dendum quietly says, "We toured the areas that are safe enough to get to for just about everyone."

Dendum then led everyone to several locations around Icemule to scout a suitable building spot. No area was decided upon at the time. Upon returning to the annex, the conversation remained on the building design.

Ranpalandil asks, "Anyone have any other business?"

Kizalia says, "I mentioned while you were napping that Ohnus volunteered to help with Lost Ranger." "So Anta has enough folks to make it happen."

Landrat nominated Cheas as Rasti's assistant, co-treasurer. The motion was seconded by Kizalia and Dendum. Rasti responded, "The Arkati will rain fire on all of you." An election will be held pending Cheas' acceptance of the nomination.

Ranpalandil then adjourned the meeting.
