"First off I'd like to bring to mention that our Anta has started up a writing group for all of our members to participate in. If you wish to be involved, whisper, or contact or tickle Anta about it."

"To get the business aspect of the meeting covered, can we please have a report from our financial division?"

"Alyias made adjustments to the Hall's Influence Points. We gained 4 points during the months of Koaratos and Phoenatos bringing the total to 94 points."

"Dendrum, for reasons known only to him, deposited a total of 3,000 silvers In seven seperate transactions, over a span of less than a minute..." "I think he may have been trying to con the CHE clerk..."

"I withdrew 4.6 million silvers as prizes during the Frontier Days events."

Cheas withdrew another 25,000 silvers... for umm...A spinner?"

"Anta, Kizalia and Landrat purchased items from the Prize Closet totaling 290,000 silvers."

"Willow Hall closed its coffers on 352,872,924 silvers." "Please give generously to Willow Hall."

Aisalt softly says, "Ok.. moving on a wee bit here."

"As you all know, I am responsible for new memberships and surveys and interviews and what not."

"Our judges Akoe and Anemegus have gone on journeys away from us and we do hope they will return."

"In the interest of the Hall, I have asked Vitesse and Selvan to join the panel of judges and to assist with new memberships and they have graciously accepted."

"Do you have a report Nattor? or say something?"

Nattor says, "I got put in charge of creating a new position, and re-naming it."

"I've got it figured out now." "Or, at least mostly."

"I decided that master-at-arms was not a good title, no matter what you wanted it to do, so last night, Landrat and I talked." "I asked him what his intention for the position originally was." "His response was, "Someone who will police meetins and Hall events and settle disputes between hall members."."

Rasti says, "Heh House Imploder."

Nattor says, "Actually, I came up with three options for the name of this position." "Arbitrator, Fixer, and Peacekeeper."

"Although I think house imploder should be seriously looked at."

Balradrung [Willow Hall]: "I agree!"

Ohnus says, "Arbitrator."

Nattor says, "Someone who settles disputes." "You have to be impartial while doing it."

Kizalia asks, "So does this mean that Nattor will accept the nomination for this position?"

Aisalt softly says, "I nominate him for the position."

Anta aska, "Does Nattor accept the nomination?"

Nattor says, "Of course."

Aisalt softly says, "May I state for the record that this position was once before nominated and accepted by a few persons but in the ensuing months, ciircumstances have changed."

Anta says, "Since we are nominating folks." "I nominate Ohnus for Archive Keeper."."

Aisalt softly says, "I second that."

Rasti says, "Oh yeah Ohnus would be great."

Anta says, "Accept it already."

Ohnus says, "Of course i will."

Aisalt softly asks, "Before we go any furthur folks and have votes open, may I suggest that Anta close the current vote on the

Icemule archive?"

Anta says, "The winner is Willow Lodge." "It was close though!"

Aisalt softly exclaims, "Most wonderful news!"

Vitesse softly says, "Good choice."

Aisalt softly exclaims, "Amazing talents we have in this hall for sure!"

Rasti says, "I'll do the Guardian Pine thing in RR." "Big vines there."

Aisalt softly says, "Again... I want to remind you all that Anta has compiled a writing group for us all to gab overs.. ifn ya wants to be a part whisper, tickle or cajole Anta for information."

Aisalt softly asks, "You have anything more you'd like to add Anta?"

Anta says, "Lesse, nominating Ohnus, vote closed.. nope thats it."

Rasti says, "I also wish to report that I have not had a chance to discuss my Parliament task with Landrat but it involves an MA membership policy."

Aisalt softly says, "Now... as most of you should know, we're planning a Fall Festival and its been amazing what Kizalia has come up with. I'm gonna give the floor to her."

Kizalia says, "The plans have been submitted. Thank you all who contributed on the design work and the patience while we hammered it out. "The event will be held the month after next."

"While we're on the subject of events.. "And parliament..."

"I had requested some membership handbooks or guides if you will and was told that we needed Parliament to do whatever it is their doing before these could be requested."

"When do you think it may be wrapped up so we can request these handbooks? I'd like to plan some Membership Drive events and use these to hand out."

Nattor exclaims, "I did what I was doing!"

Nattor points at Rasti.

Nattor says, "Blame him."

Ohnus says, "Has not much been done."

Anta asks, "Who's the head of parliament?"

Ohnus says, "Landrat is by office."

Kizalia says, "It's been quite a while now."

Rasti says, "I'm getting quietly yelled at by Aisalt at the moment... I will pass on your concerns to the Parliament leadership."

Aisalt softly says, "Rasti Nattor and Ohnus get to light Landrat's fire on that one."

Ohnus says, "I have spoken with him." "And know nattor and rasti have both been back and forth."

Aisalt softly says, "We do need those membership handbooks.. they would be so nice to give to prospective members."

Kizalia says, "Okay, well next item.."

Kizalia says, "As you may or may not know the Landing has opened a new siegery arena. I'd like to plan a Willow Hall hosted siegery tournament for the month after next."

Kizalia says, "They are the little battling minis." Kizalia says, "Some people take it quite seriously." Kizalia says, "But it's a lot of fun."

Kizalia says, "The spirit night night items have been requested. Some new snacks and a new give away item - a loot sack that Phevar submitted."

Aisalt softly says, "Its soooo cute!! I love it."

Selvan says, "Likin the loot sack for the evenin."

Rasti asks, "Cute?"

Aisalt softly asks, "Ok.. spooky??"

Speaking to Rasti, Anta says, "She means deadly."

Rasti says, "Ahhh."

Anta says, "It will kill you if you put it over your head."

Kizalia says, "It was a black burlap lootsack painted with a bare willow tree against a stark white moon - or something spooky like that."

Kizalia says, "And for treats, candy apples, popcorn balls, molasses chew and marshmallow bats."

Kizalia says, "I believe our items from last year will still be there as well.. the strange frothing orange brew."

Aisalt softly asks, "Spirit night is on what... shall we go spookin as a Hall?"

Aisalt softly says, "The tent is out all week I thinks."

Anta says, "Spirit night is the last day of the next month."

Aisalt softly says, "Eve of the reunion."

Kizalia says, "We also submitted our request for the new prize closet items."

Kizalia says, "The items with the most votes and in no particular order:"

"A faenor-hilted rolaren longsword, a faenor-inlaid black willow runestaff"

"A hollow willow branch quiver, a glaes-paned faenor lantern"

"A lacquered ebonwood bow case inlaid with a faenor vine mosaic"

"A thorny faenor vine wristlet set with glossy jet-carved roses (casts that ranger resist elements)"

"A leaf-carved grey willow band (holds the blue, black and white crystals)"

"A faenor-caged black crystal - floating disk crystal"

"A glittering dark emerald swirled with ebon inclusions (a chrism gem)"

"A thin-bladed drakar skinning knife - which has been requested to be imbedded with the skinning spell."

Aisalt softly says, "They are all so fantastic looking. I'll take one of each please."

Kizalia says, "Rasti had a wonderful idea to present the designers with one as a prize and encourage participation. I am checking with Alyias on that to make sure it's okay to give them to the officers that contributed. He wants a knife. His knife, specifically."

Aisalt softly says, "Ok folks.. I do have something that I want to bring up and I think its quite important." "Can I please have all of your attention on this matter.. that means both ears."

"As you all know Willow Hall is part of the CHE effort doi9ng a bounty help event the first and thrid Feastday of the month."

"Sadly to say I think our Hall participation in it has been sorely lacking."

"Ranpalanidl is out on a journey this weekend and with Landrat having an emergency, it falls on US to be there for this event tomorrow night."

"Its 10 pm elven in the tent outside of the Adenturer's Guild in Landing."

Balradrung [Willow Hall]: "I will try and be there, though I have been away for some time."

Aisalt softly asks, "Anyone else have something they wanna say, moan, gripe, boast about tonight?"

Aisalt then adjourned the meeting.
